1. Please provide an overview of your company wellness program including an annual calendar or events and any health measurements are used.
2. Please provide wellness program promotional pieces that your company uses to drive engagement – poster, mailings, emails, Intranet posts, etc.
3. What percentage of your employees participate in the company wellness program? What is the spouse participation, if offered? Are either mandatory in order to obtain health insurance through the employer group plan?
4. Does your company measure health risk improvements from year to year? What have been the specific outcomes in recent years?
5. List any amenities available to your employees through your organization’s wellness program. Examples could be: onsite gym, gym reimbursement, employee assistance program, onsite massage, tobacco cessation classes, contracted nurse or other onsite professional health services, onsite clinic, etc.
6. How does your company communicate the effect of health care spending to the organization’s bottom line, as well as the effect of wellness efforts?

Please feel free to submit answers to these questions on a separate sheet of paper, if necessary.
